

3.3 Market research and added value of students' idea

3.3.5 Evaluate Your Social Value

e-module 3: (social) entrepreneurship
Cooperative start-up implementation
February 2021

1. The Social Value self-assessment Tool

[Here](#), you can take an assessment and download a free report with your results and practical tips to help you improve your social value. You can also benchmark your results against previous assessments and other organisations.

2. The Mission. Model. Measure. Tool

[Here](#), you can download and fill in a Social Impact Canvas that will help you:

- Develop a simple impact blueprint to guide your work
- Define measurable outcomes and indicators to stay on course
- Communicate your impact plan in a fast, clear and compelling way

3. The SAMforSE Tool

[This Self-Assessment](#) for Social Entrepreneurs will help you evaluate your social entrepreneurship in various sectors, using a score scale to give you a clear perspective of your business course so far.
